

PARTNERING & SPONSORSHIP OPPORTUNITIES

10-12.06.2025
Hyatt Place Kraków

Dear Delegate,

We are honored to invite you to become a strategic partner of the **E-NNOVATE 2025 International Innovation & Invention Summit** - a prestigious global forum that, for the past six years, has brought together world-leading innovators, entrepreneurs, scientists, and inventors.

The 6th edition of this international event will take place on **June 10-12, 2025, at the Hyatt Place Hotel in Kraków**, and will also be hosted on our hybrid platform, enabling both in-person and virtual participation.

Why Sponsor E-NNOVATE 2025?

- **Global Reach & Prestigious Event**

E-NNOVATE is more than just an innovation fair — it is a global platform for the exchange of knowledge and experience. Thanks to our widely recognized digital platform, <https://e-nnovate.eu>, your brand will gain global visibility among a diverse audience, including innovators, investors, scientists, and industry media.

- **Positioning as a Leader in Innovation**

As a sponsor of E-NNOVATE 2025, your company will be seen as a key player in driving innovation and invention. It's an exceptional opportunity to align your brand with cutting-edge technologies and breakthrough ideas shaping the future. By supporting this initiative, your brand contributes to nurturing the next generation of inventors and researchers — a message that resonates with the public and industry alike.

- **Direct access to Innovators**

E-NNOVATE attracts a wide spectrum of global participants - from inventors and scientists to business leaders (both large and small), universities, research institutions, and high school students taking part in the Young E-NNOVATOR Pitch competition. As a sponsor, you gain access to a valuable international network of business and scientific contacts.

- **Unique Promotional Opportunities**

As a sponsor, you will have the opportunity to:

1. Showcase your brand both onsite and through our virtual platform,
2. Participate in exclusive networking sessions with key stakeholders,
3. Promote your products or services to an international audience,
4. Be featured in promotional materials, social media campaigns, and on the official E-NNOVATE website.

- **Supporting the Development of Young Talent**

E-NNOVATE is also a platform where young innovators have the opportunity to showcase their ideas during the Young E-NNOVATOR Pitch competition. By supporting this event, your brand directly contributes to the growth of future generations of inventors and scientists — a value that resonates deeply with the public and stakeholders.

- **Brand & Tangible Benefits**

Sponsoring E-NNOVATE 2025 brings not only prestige but also concrete advantages, such as participation in free training sessions, expert panels, and conferences, opportunities to collaborate with award-winning inventors and breakthrough ideas with high-impact innovation.

MODE OF COLLABORATION

We offer flexible sponsorship options tailored to your goals, including:

- Main Sponsorship Packages,
- Dedicated support for the Young E-NNOVATOR Pitch,
- Brand promotion via videos, the official website, and social media campaigns.

WHY E-NNOVATE?

The mission of E-NNOVATE is to promote innovation, connect it with business, and support the dissemination of scientific and technological achievements. This event not only highlights emerging technologies but also creates an ecosystem of like-minded people committed to positively impacting the world around us.

We sincerely hope to count on your support and partnership in making this event truly extraordinary. We are confident that your participation in E-NNOVATE 2025 will deliver significant strategic, branding, and business benefits.

Please don't hesitate to contact us to discuss partnership opportunities. We are happy to tailor a custom sponsorship package that meets your expectations.

kind regards,

Edyta Wołczyk,
Director, E-NNOVATE

YOUNG E-NNOVATOR PITCH

The Young E-NNOVATOR Pitch is a competition dedicated to young innovators and inventors under the age of 25. Selected participants, following an initial screening process, will have the opportunity to present their ideas during a 5-minute live pitch session on stage in front of a panel of experts, mentors, and business leaders. They will compete for prizes, gain valuable feedback, and receive mentorship to support the further development of their innovations. The competition is organized as part of the E-NNOVATE International Innovation Fair and is free of charge for all participants.

We are confident that the ideas showcased will be of interest to potential investors, and that the most talented young creators will become the future leaders of innovative enterprises.

BENEFITS OF PARTICIPATING IN THE YOUNG E-NNOVATOR PITCH FOR YOUNG INNOVATORS

• MENTORING

Participants will receive valuable guidance from top industry mentors, scientists, and investors - helping them transform their ideas into viable, income-generating ventures.

• AWARDS

Winners will receive prizes as recognition for their achievements, supporting the development and promotion of their projects.

• PROMOTION

Top-performing innovators will also earn the exclusive opportunity to present their innovations free of charge at one of the upcoming events organized by IBS Global in India or Thailand.
