<b>Profile:</b>	<p>"PAJAN" is a retail business establishment, headquartered in Poland. We are known for our quality standards and excellent customer service. We have a loyal customer base that stuck with us from many years. After successfully running the retail business for around 8 years, "PAJAN" has always had the DNA to innovate and explore new possibilities. In the light of observing the global customer needs, "PAJAN" has ventured into the innovation space and started organising trade missions internationally and is now organising an international virtual innovation fair "E-NNOVATE 2020".</p>
