Mr. Randall Wagner, President of the United States GEMEX Diamond Optics Institution, commented on Eleven Roses diamonds 美国GEMEX钻石光学机构总裁点评十一支玫瑰钻石

译文：

您好，我是GEMEX首席执行官兼联合创始人Randall Wagner。GEMEX是钻石光性能评估的全球领导者。

这颗钻石有265个切面，是首个200个以上切面的钻石在GEMEX的光性能分级中能够达到三个VH的级别。这款钻石的生产者子冈出品了100切面的十一玫瑰钻石。就像265面钻石一样，每颗“十一玫瑰”钻石火彩和闪耀度这三个类别中都能够达到VH级别。GEMEX报告向您保证，每颗“十一玫瑰”钻石都具有出色的光性能，会在整个房间内引起关注。
